

## LISTENING TEST - TWO

### INSTRUCTIONS

Sit facing your partner, read item number one out and finish with "WHAT DID I JUST SAY". Your partner must repeat the sentence WORD FOR WORD exactly, if correct say "CORRECT" and proceed to the next item, if incorrect say "NO" and repeat the sentence fully from the start. Continue until all 10 items have been completed correctly.

1. When will you and I next meet up?
2. The car won't start and you sit there complaining about your broken earpiece!
3. Every once in a while the giant boa-constrictor will attack a human, last year I saw one with a full grown man inside it.
4. If you want to win you must get the black ball at the back and the bigger white ball in the hole.
5. I find Berlin a very attractive city, when will I next go there?
6. You lazy fool, look at the state of this place, get yourself moving and clean up.
7. When the red and blue are matched the advice note may be closed, however many red copies are not returned or lost.
8. The orange button starts the ignition sequence and must be activated by two security keys.
9. The bare metal is dipped in a mixture of hydrochloric and phosphoric acid to cleanse it before the final application of surface primer.
10. How many folk singers does it take to change a light bulb? Three, one to change the bulb and two to sing about how good the old one was.
